

ON THE RECORD

Rest Day Working

DCC have approached the company on the subject of pre booking rest day working on the weekly sheet. We have asked the company to cover all known commitments including rest day working on the weekly sheets. Could LDRs keep an eye on this and if this is not been adhered to please inform DCC.

Uniforms

Drivers have reported to us problems with the new uniforms. The complaints revolve around the quality of the uniform and HV vests & bags causing the shirts to bobble. The company has said they are looking into the issue with the polo shirts and one solution being looked at is to remove the Velcro from the HV vests. The issue with the bags remains unsolved. We eagerly await a response from the company and we will keep drivers informed of any further developments.

Employee Survey

The Employee survey is now live and active and can be accessed online via your company ipad. This is our opportunity to give our views and opinions on a variety of topics we feel needs addressing including our views on the new uniform. Please be as honest and Upfront possible in letting the company know what it is like working at southeastern. By spending just a few minutes completing the survey the company will be donating £2 to charity. If you haven't done so already please take the time to complete the survey before 3 October 2016.

DCC Website And Contact Us

The Southeastern DCC website is now up and running and can be accessed online on the following website address: www.se-aslef.co.uk

Drivers are reminded to use the Contact Us page on the website if they would like to contact DCC via email. Drivers can use this page to send any attachments.
