

ON THE RECORD

Holiday Pay

DCC along with our lead officer Graham Morris, are currently in talks regarding average earnings payments during block annual leave period. To date some TOCs have reached agreement and we hope to have this finalised soon and provide an update sometime during the month of May.

Taxi Timings

DCC have recently looked into the current taxi timings used by train planning/resource center and the original method of calculating times using the AA Route Planner plus 5 minutes. Some timing's seemed to be replaced with guess the time less 5 minutes! DCC have looked into updating and correcting the timings with the original AA Route Planner Plus 5 minutes and hope this will stop some ridiculous timings. If any timing is inadequate, please contact DCC/LDR or Line Manager with the time and route taken. The time of day or night being the most important.

Railway Pensions Website

All staff can access the railways pension website and register to find the latest updates regarding their pension. The website provides useful information concerning any pension related issues including any BRASS valuation and prices, forms, FAQ and information for contacting Railways Pensions for any queries staff may have. Please remember there are still a large number who have not provided or updated a death in service nomination form. We advise updating this every 5 years.

NEW WEBSITE & CONTACT US

The new Southeastern DCC website is now up and running and can be accessed online on the following website address: www.se-aslef.co.uk

Drivers are reminded to use the Contact Us page on the website if they would like to contact DCC via email. Drivers can use this page to send any attachments.
